The LWV Bay Area VOTER for August 2012 story Stand By Your Ad,® written by Helen Hutchison explained a program calling on broadcasters to fact-check the political ads they run.

Now this story is available on video at <http://www.flackcheck.org/media-watch/league-of-women-voters-stand-by-your-ad/>

On the video the text of Helen Hutchison's article is read by Veda Florez of the LWVBA Board

The video is available for to share with your local League. Please feel free to post to your League web site, attach to the ending of your debates and send to your local television access station. Veda distributed a few copies at the InterLeague North meeting on October 16 so you can contact your representative and share the "Stand By Your Ad" Public Service Announcement.
