Update from the Bay Area

We have sent out the first call for our LWVBA Convention 2006, which is the biennial business meeting for our Inter-League Organization. Each League may send the President and from 2 to 6 additional delegates, depending on the number of members in the League. The Convention Kit will be sent to each League in mid-April, and it will contain the recommended program priorities, proposed budget for 2006-07 and nominees to the Board for the next two-year cycle. Reports will also be given by Directors regarding their activities within the region. Please plan on sending as many delegates as you can, the cost is only \$10 per League.

Our new website is now up and running: www.lwvba.ca.lwvnet.org. It contains the full listing of our Bay Area positions, action letters during the past year, and information from our most recent regional meetings. It will serve as an excellent resource for any delegates attending the Convention. Do check it out!
